

### Példák az UDI szám GS1 vonalkódos jelölésére (UDI DI + PI)

### Példa UDI címkére

The example shows a UDI label for H.E.L.P. Acetate Buffer pH 4.85. The label includes the following information:

- Device Identifier (DI) "Static" portion:** (01) 04046964 290169
- Production Identifier (PI) "Dynamic" portion:** (17) 170228 (10) 0350214
- Application Identifiers:** (e.g. serial, lot number & expiry date)

The label also contains detailed product information, including the manufacturer (B. Braun Avitum AG), the Canadian distributor (Chief Medical Supplies Ltd.), and the production site (B. Braun Avitum AG).
